

Complete Public LMS – Dashboard Feature Mapping

Student Dashboard – Complete Mapping

Feature	Frontend	Backend	Database	Purpose
Profile	StudentDashboard.js	student.controller.js	users, classes	Basic academic identity
Subjects list	Subjects.jsx	student.dashboard.js	subjects	All subjects for selected class
Auto enrollment	Subjects.jsx	student.dashboard.js	student_subjects	Enroll on first access
Lessons	Lessons.jsx	student.dashboard.js	lessons	Course syllabus & order
Lesson progress	Lessons.jsx	student.dashboard.js	lesson_progress	Completed / pending
Continue learning	StudentDashboard.js	student.dashboard.js	lesson_progress	Next incomplete lesson
Attendance summary	Attendance.jsx	attendance.controller.js	attendance	Monthly % + daily status
Available quizzes	QuizList.jsx	quiz.controller.js	quizzes	Teacher-created quizzes
Attempt quiz	QuizAttempt.jsx	quiz.controller.js	quiz_attempts	Auto evaluation
Quiz results	QuizResult.jsx	quiz.controller.js	quiz_attempts	Score + pass/fail
Performance trend	Insights.jsx	student.dashboard.js	quiz_attempts	Improving / declining
Weak subjects	Insights.jsx	student.dashboard.js	quiz_attempts	Low average score
Strong subjects	Insights.jsx	student.dashboard.js	quiz_attempts	High average score
Announcements	Notifications.jsx	announcement.controller.js	sannouncements	Class/global info
Support requests	Support.jsx	support.controller.js	support_requests	Raise issues

Teacher Dashboard – Complete Mapping

Feature	Frontend	Backend	Database	Purpose
Profile	TeacherDashboard.jsx	teacher.controller.js	users	Teacher identity
Assigned subjects	TeacherDashboard.jsx	teacher.controller.js	subjects	Admin assigned
Student list	StudentList.jsx	teacher.controller.js	users	All students
Student details	StudentDetails.jsx	teacher.controller.js	lesson_progress, quiz_attempts, attendance	360° view
Create lesson	LessonManager.jsx	lesson.controller.js	lessons	Add new lesson
Update lesson	LessonManager.jsx	lesson.controller.js	lessons	Edit content
Reorder lessons	LessonManager.jsx	lesson.controller.js	lessons	Curriculum control
Create quiz	QuizManager.jsx	quiz.controller.js	quizzes	Assessment creation
Add questions	QuizManager.jsx	quiz.controller.js	quiz_questions	MCQs
Quiz analytics	QuizManager.jsx	quiz.controller.js	quiz_attempts	Class performance
Mark attendance	AttendanceManager.jsx	attendance.controller.js	attendance	Daily marking
Announcements	Announcements.jsx	announcement.controller.js	sannouncements	Notify students
Support replies	SupportRequests.jsx	support.controller.js	support_requests	Student help

Admin Dashboard – Complete Mapping

Feature	Frontend	Backend	Database	Purpose
User list	UserManagement.jsx	admin.controller.js	users	All users
Activate/deactivate	UserManagement.jsx	admin.controller.js	users	Security control
Approve teachers	TeacherManagement.jsx	admin.controller.js	users	Quality check
Assign subjects	TeacherManagement.jsx	admin.controller.js	subjects	Curriculum ownership
Student analytics	StudentAnalytics.jsx	admin.analytics.js	quiz_attempts, lesson_progress	Performance
Manage classes	ClassManager.jsx	class.controller.js	classes	Academic structure
Manage subjects	ClassManager.jsx	subject.controller.js	subjects	Curriculum
Content review	ContentReview.jsx	admin.controller.js	lessons, quizzes	Moderation
System stats	SystemStats.jsx	admin.analytics.js	ALL	Platform health
Announcements	Announcements.jsx	announcement.controller.js	sannouncements	Global messages
